

Products to Renew

Adds three years to the expiration date or begins a new three-year period for licenses that have expired. Products to be renewed must all be licensed to the same site.

Product	Serial Number (Ex. 1-A1MX-A1B2-C3D4-E5F6)

To locate your serial number, run the software and click on the menu Help > About. If your software has expired and you can't reach the main menu, click Deactivate and your serial number should appear (then click Cancel). If none of these work, visit our website and click Support > Serial Number Look Up.

Products to Add

New products each begin a three-year license period. New products must be used at the same site as products being renewed.
